## Square Bollard Posts

Alternative to wall mounted access control or switches for entry doors. Bollard posts provide visibility and meet accessibility guidelines. Straightforward, practical solution for surface mount or in-ground installation.

**Push plates and panels ordered separately.**

- 6" square with 1/8" walls
- Black HDPE mortised removable cap
- Secure transmitter mount
- Standard prep located 36" from finished floor
- Choice or switch prep

*See related products for CBC compliant bollard kits with push plates included.*
